FOREWORD:

This Book, the Staff hopes, will be a memorable record of the happenings of our 1969-1970 school year. We have established ourselves as a high school for we have won honors in scholastic fields, sports, organizations, and we have GRADUATED A CLASS! We have done well in all these areas. Now we are working to maintain the high standards we have set for ourselves. We rally around Central Noble as the center of all our activities. We season our school life with frolics and fun. Therefore we have an action-packed school term that can meet the Challenges of the Seventies!

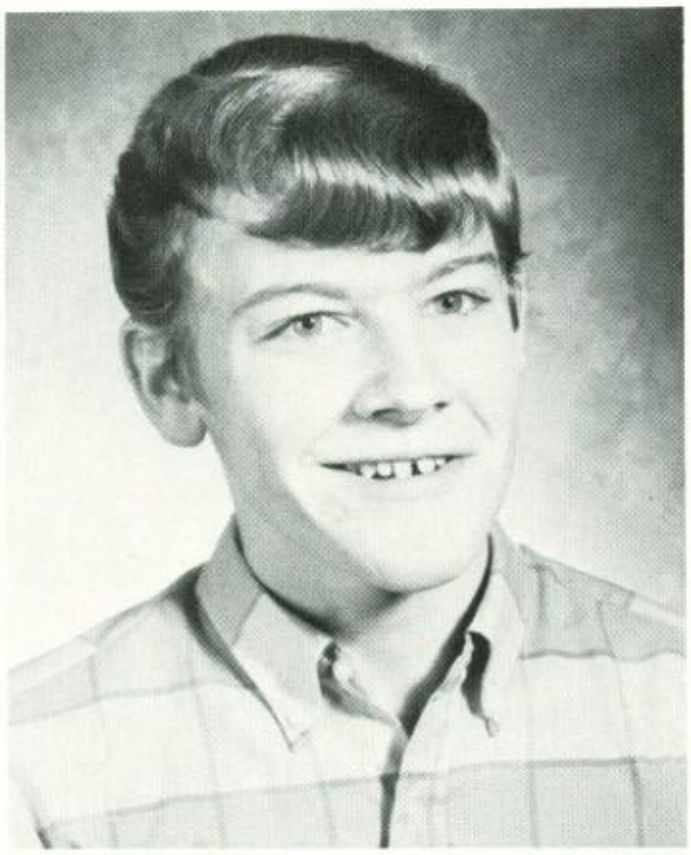
He Is Just Away!



Lynn Leitch

"He is just away!

With a cheery smile and a wave of the hand

He has wandered into an unknown land,

And left us dreaming how very fair

It needs must be, since he lingers there;

So think of him faring on, as dear

In the Love of There as in the Love of Here;

Think of him still as the same, and say

He is just away!"

The final page of the 1970 ECHO has been finished and we have told of the events of the last of the "Unbelievable Sixties" and the first of the "Challenging Seventies." This has been a year of interesting experiences in music, dramatics, studies, and sports.

We go forth from CNCS full of pride and eagerness, ready to meet whatever challenges come our way. We are also thankful for the opportunities CNCS has furnished us, and we are determined our ALMA MATER will be proud of us as we go our various ways.
